CAREER SUMMARY:

I am a recent IT graduate from Deakin University majoring in cloud computing and computer networking with a strong background in web development. Specialties include frontend languages such as HTML, CSS, and JavaScript, and frameworks including Vue, React, and Tailwind CSS. Seeking full time employment as a front end web developer.

SKILLS:

HTML	TypeScript	Tailwind CSS	Docker
CSS	React	WordPress	Kubernetes
JavaScript	Vue	SDLC	Git

WORK EXPERIENCE:

7-Eleven, Corio, Geelong, VIC 3214

Customer Service Representative

Jan 2022 - Present

- Provided excellent customer service to ensure a positive shopping experience.
- Managed inventory and stock levels efficiently.
- Supervised and trained team members to maintain store operations.
- Implemented sales strategies to enhance store performance.

Databytes

Junior Web Developer

Mar 2023 - Nov 2023

- Collaborated with cross-functional teams to develop and implement new features for the front end of web applications.
- Worked in an Agile development environment, participating in sprint planning, daily stand-ups, and retrospectives to ensure efficient project progress.
- Wrote clean, efficient, and maintainable code in HTML, CSS, and JavaScript, adhering to best practices and coding standards.
- Collaborated with UX/UI designers to translate design mockups into functional, interactive web interfaces.
- Utilized industry-standard tools such as Visual Studio Code and GitHub for code development, version control, and collaboration.

RELEVANT PROJECTS:

Personal Website - <https://rohitbajaj.vercel.app/>

Nov 2023 - Dec 2023

- Designed and developed a personal website using Next.js and Tailwind CSS, showcasing technical proficiency and creativity.
- Led the entire project lifecycle, from planning and requirements analysis to coding and design implementation, resulting in a fully functional and visually appealing website.
- Implemented modern web development technologies to create a responsive and user-friendly interface for personal branding and showcasing skills.
